Moderato
Doff your hats here come the sa-viors of our coun-try
When you fought for us a-cross the foam-y sea We
Fear-less lads who fought for ev-ry-bod-y's coun-try Here they come, hear that rum, tum, tum
read the pa-pers tell-ing of your gal-lant-try We felt so proud that we yell'd a-loud
Ev-ry bod-y ev-ry bod-y stand right up and shout When they pass you give a hun-dred
Ev-ry bod-y ev-ry bod-y cheered for lib-er-ty When you start-ed in the fight you
mil-lion cheers For they put the Kai-ser back a-bout ten thous-and years And paid our debt to
sure was fit Your Yan-kee grit soon made those treach-'rous Ger-mans quit And then they ran like
France And now heres your chance Ev-ry bod-y ev-ry bod-y show a lit-tle grat-i-tude.
sin Back to old Ber-lin You hold our I O U of hon-or for the cause of lib-er-ty.
ritard.
